Students are assessed eight semesters of tuition regardless if the MD requirements are completed in less than eight semesters.

Medical student tuition is adjusted by prorating the refund schedule published in the [Tuition and Fee Refund policy](#) if the medical student totally withdraws from a semester.

The official start and end date of the semester used for prorated adjustments are published on the KUMC Office of the Registrar website at: <http://www.kumc.edu/student-services/office-of-the-registrar.html>

The amount of tuition adjusted for modules that have not started will be determined by the following formula. The start and end weeks are determined from the Official School of Medicine Schedule and Classes.

$(\text{Number of Weeks Not Started} / \text{Total number of weeks in the semester}) * \text{Semi-annual Tuition}$
