I have verified via the Comprehensive Fee Schedule <http://registrar.ku.edu/tuition-and-fees> for the current year that the class(es) that I've listed above contain Individual Class Fees as outlined in section 2.1.1 of the Comprehensive Fee Schedule.

I understand that I have the right to opt-out of these Individual Class Fees which are intended to cover the cost of supplies to be used for the class assignments. By doing so, I understand that I will be responsible for purchasing my own supplies, and will not have access to the consumable materials that are generally made available to students taking this class who do pay the Individual Class Fee.

I also understand a list of materials has been made available to me based on my instructor's course syllabus. Further, by opting out of this fee, I fully accept the responsibility to obtain these items on my own and understand that failure to do so on a timely basis may impact my ability to stay current in this class and may affect my academic success. I understand that if I opt out and am later found to have used University supplies for the class, I may be charged the Individual Class Fee for the course. In addition, I may face charges of non-academic misconduct.

Finally, I understand that should I choose to opt-out of the Individual Class Fee, I must do so by the end of the day of the third class meeting, and once I have opted-out by submitting this form, I may not reverse my decision.
